* * * *

The question of sanctioning the entertainment of a mutchi on the staff of this and other courts is still pending before Government (Vide Government Order No.G.26683-Cts.198-18-4 dated 28-5-1919 communicated to this court in No.D.2.Dis.82 dated 10-6-1919.

This court is very much undermanned. The mutchi will at least help the clerks by stitching records, getting ready papers for tappal etc., The clerks here are only four in number. - - They are over-worked. They work overtime and yet they are - unable to cope with the heavy work in the court. If at least a mutchi is sanctioned soon for the time being, there will be - some relief to clerks in respect of some petty items of clerical work and manual labour. I earnestly request you therefore to - make a reference to Government soliciting early orders in the - matter.
